

Coastal Advisory Committee Meeting

Wednesday 7 September 2022

COASTAL ADVISORY COMMITTEE (CAC)

Notice is hereby given that a Coastal Advisory Committee meeting of Randwick City Council will be held in the McNevin Room, Prince Henry Centre, 2 Coast Hospital Rd, Little Bay on Wednesday, 7 September 2022 at 6pm

Councillors		
Mayor, Cr D Parker (Chairperson)	Mayor	RCC
Cr B Burst	Councillor	RCC
Cr K Chapple	Deputy Mayor	RCC
Cr A Luxford	Councillor	RCC
Cr J McCafferty	Councillor	RCC
Cr K Neilson	Councillor	RCC
Cr D Rosenfeld	Councillor	RCC
Cr D Said	Councillor	RCC
Cr P Veitch	Councillor	RCC
Coastal Stakeholders		
Luke Madden	CEO	Surfing NSW
Scott Muir	Director of Lifesaving & Education	SLS Sydney Branch
Bryce Wilde	President	Clovelly SLSC
Todd Mison	President	Coogee SLSC
Danny Donohoe	President	Maroubra SLSC
Paul Fownes	President	South Maroubra SLSC
Janice Morris	Secretary	Wylie's Baths Trust
Marianne Kadunc	President & Liaison Officer	Mclver's Ladies Baths
Brian Williamson	President	Maroubra Seals Winter Swimming Club Inc- for Mahon Pool
Robert Cooley	Senior Ranger	Gamay Rangers
Ben Kahn	Manager Sydney South Area	NSW National Parks & Wildlife Service
RCC Officers		
Therese Manns	General Manager	RCC
Todd Clarke	Director City Services	RCC
Duncan Rennie	Manager Public Safety and Aquatic Services	RCC
Joe Ingegneri	Manager Technical Services	RCC
Ryan Zammit	Manager Infrastructure Services	RCC
Peter Halcro	Supervisor Beach Lifeguards	RCC
Paul Moffatt	Supervisor Beach Lifeguard	RCC
Mark Bush	Manager Waste and Cleaning Services	RCC

Acknowledgement of Country

"I would like to acknowledge that we are meeting on the land of the Bidjigal and the Gadigal peoples who occupied the Sydney Coast, being the traditional owners. On behalf of Randwick City Council, I acknowledge and pay my respects to the Elders past and present, and to Aboriginal people in attendance today."

Coastal Advisory Reports No. CAC10/22

Subject: Coastal Open Space Bookings and Activity

Executive Summary

- The attached Coastal Area Open Space Bookings has been prepared for the Randwick Coastal Advisory Committee (RCAC).
- The activity schedule lists planned activities in our coastal reserves between 1 September 2022 and the end of November 2022. The Nipper season commences in October 2022 but the details have not been finalised at this stage.
- The activity schedule is provided for information and is subject to change with additional activities likely to be booked in the period.

Recommendation

That:

1. The Randwick Coastal Advisory Committee receive and note this report.
2. Council processes each booking request for the Nippers season once received from the relevant Surf Life Saving Clubs.

Coastal Advisory Report No. CAC11/22

Subject: Coastal Operation Update - September 2022

Executive Summary

- While the 2021/22 season officially ended on Friday 29 April 2022, annual statistics are recorded in line with the financial year (ending 30 June 2022). Across the year, RCC patrolled beaches saw a significant reduction in visitors compared to previous seasons, with a total of 8.5 million visitors to Clovelly, Coogee and Maroubra. This is compared to:
 - Over 9 million in the 2020/21 season (~6% reduction); &
 - Approximately 9.5 million in 2019/20 (~11% less).
- While attendance was down 'Rescues' have remained significantly high, with 540 rescues during the 2021/22 beach season, compared to:
 - 418 rescues during the 2020/21 (~30% more); &
 - 306 rescues in 2019/20 (~76% increase).
- 'Major Incidents' finished noticeably down in 2021/22, with 155 major incidents compared to:
 - 243 throughout the 2020/21 season (~36% less); &
 - 236 in 2019/20 (~34% reduction).
- "Regulatory" work by the lifeguards (a combination of 'Preventions', 'Regulations' and 'Surf craft Warnings') totaled 47,739 throughout 2021/22, compared to:
 - 54,448 during the 2020/21 season (just over 12% reduction); &
 - 57,052 in the 2019/20 season (approximately 16% less).
- The 2022/23 beach season officially starts on Saturday 24 September 2022, with RCC's season wrapping up on Friday 5 May 2023. As always, the week prior to the season commencing (19-23 September) is Randwick's "Beach Front" where lifeguards complete their recertifications along with other training to best prepare themselves up for the season ahead.
- Technology continues to improve and receive upgrades along the RCC coastline, with several changes/additions expected for the 2022/23 season:
 - CCTV at Gordon's Bay is being upgraded.
 - A Smart Beaches board has now been installed at Maroubra beach.
 - Two Emergency Response Beacons (ERB's) are being purchased and installed at Malabar and Little Bay.
- The foil boarding report was put on hold for the remainder of the 2021/22 season, to assess the behaviour of foil boarders and how they responded to RCC lifeguard instruction not to foil during patrol hours. This trial supports a partial ban of foil boarding (aligned with the Council Policy for kitesurfing) as opposed to an outright ban.

Recommendation

That the Randwick Coastal Advisory Committee receive and note this report.

Attachment/s:

1.  PSAS - Memo - Lifeguards Operational Update - Randwick Coastal Advisory Committee Meeting - 07.09.22

Responsible officer: Duncan Rennie, Manager Public Safety and Aquatic Services

File Reference: F2020/00714

Memorandum

TO: Todd Clarke, Director City Services
FROM: Duncan Rennie, Manager Public Safety & Aquatic Services
DATE: 07 September 2022 **FILE:** F2019/01067
SUBJECT: Memo – Lifeguards Operational Update - Randwick Coastal Advisory Committee Meeting

Background:

The purpose of this memo is to provide an operational update from the Randwick City Council beach lifeguards for the Randwick Coastal Advisory Committee. This information is to assist with any operational changes that are recommended or required, to further enhance the efficiencies and effectiveness for all beach user stakeholders.

Lifeguard Operational Update:

Key statistics from the 2021/22 season:

1. While the 2021/22 season officially ended on Friday 29 April 2022, annual statistics are recorded in line with the financial year (ending 30 June 2022). Across the year, RCC patrolled beaches saw a significant reduction in visitors compared to previous seasons, with a total of 8.5 million visitors to Clovelly, Coogee and Maroubra. This is compared to:
 - Over 9 million in the 2020/21 season (~6% reduction); &
 - Approximately 9.5 million in 2019/20 (~11% less).
2. While attendance was down ‘Rescues’ have remained significantly high, with 540 rescues during the 2021/22 beach season, compared to:
 - 418 rescues during the 2020/21 (~30% more); &
 - 306 rescues in 2019/20 (~76% increase).
3. ‘Major Incidents’ finished noticeably down in 2021/22, with 155 major incidents compared to:
 - 243 throughout the 2020/21 season (~36% less); &
 - 236 in 2019/20 (~34% reduction).
4. “Regulatory” work by the lifeguards (i.e. a combination of ‘Preventions’, ‘Regulations’ and ‘Surf craft Warnings’) totalled 47,739 throughout 2021/22, compared to:
 - 54,448 during the 2020/21 season (just over 12% reduction); &
 - 57,052 in the 2019/20 season (approximately 16% less).
5. Following the fatal shark attack at Little Bay in February 2022, there were no further fatalities along the RCC coastline with a total of 3 water-based and 2 other fatalities during the 2021/22 season.
 - 21/12/21 - male self-harm (Waverley), body retrieved near Clovelly
 - 08/01/22 - male fell from cliffs at Coogee (Dolphin Point)
 - 31/01/22 - father and son rock fishing at Little Bay (The Gutter)
 - 16/02/22 - shark attack at Little Bay (Julianne’s)

Beach Lifeguard update for the 2021/22 Season

- The 2022/23 beach season officially starts on Saturday 24 September 2022, with RCC’s season wrapping up on Friday 5 May 2023. As always, the week prior to the season commencing (19-23 September) is Randwick’s “Beach Front” where lifeguards complete their recertifications along with other training to best prepare themselves up for the season ahead.
 - NB: this year Permanent and Seasonal lifeguards will attend a 2-day Mental Health First Aid course.
- As with any pre-season, the Randwick beach lifeguard service has been busy procuring new plant equipment and onboarding new lifeguards ready for the busy beach season ahead.
 - Included in the new equipment is a jet ski at Maroubra, as well as an eBike for Clovelly following the successful trial during the 2021/22 season.
 - The service is currently recruiting a replacement full-time beach lifeguard, but has already employed 3x new Seasonal beach lifeguards (1x internal candidate) and 3x new casual beach lifeguards.
- The next Randwick City Council and Surf Life Saving operations meeting will be a face-to-face ‘Meet & Greet’ with the Club Captains joining the RCC beach lifeguards on Wednesday 21 September, during the RCC Beach Front training week. This will be a great way for those ‘on the sand’ to get to know each other’s faces and discuss the upcoming season, so both RCC and SLS are again working cohesively alongside each other.

- Technology continues to improve and receive upgrades along the RCC coastline, with several changes/additions expected for the 2022/23 season:
 - CCTV at Gordon's Bay is being upgraded from solar to hard-wired power, to increase reliability and remove components that are not tolerating the harsh conditions.
 - A Smart Beaches board similar to the one at Coogee has now been installed at Maroubra beach to provide accurate, real-time information for beach users.
 - Two Emergency Response Beacons (ERB's) are being purchased and installed at Malabar and Little Bay. ERB's are solar powered and have both a camera and communications link, which is connected directly to the NSW SLS State Operations Centre (which is manned 24/7). The ERB's will provide an additional resource to assist with contacting emergency services and reducing the response times to incidents.
- Another La Nina weather pattern is expected for the coming summer, which will bring with it plenty of rain. This will be the third La Nina summer in a row, which will most likely keep visitation rates to the beaches down.
- Board-rider groups will finish their season in early October, with Nippers starting again from middle-end of October. Hopefully COVID restrictions will remain relaxed so Nippers can enjoy their first "uninterrupted" season in approximately 3-years.
- RCC beach lifeguards have spent the winter revamping the 'Beach and Surf Safety Education Program', ready to deliver to approximately 20 schools from October – November. New content and video has been collated to ensure the information being delivered to local school children is up to date, meaningful and most importantly, *interesting* for children aged 10-12 years. *Larry the Lifeguard* received a facelift in 2021, so is ready to join the team delivering the program to schools.
- Randwick City Council will host the inaugural NSW Local Government Coastal Safety Group (CSG) conference on 26-27 October. Day one of the conference will be held at the Prince Henry Centre, with water safety experts and industry leaders presenting to the attendees from various coastal councils. Day two will be conducted at Maroubra Beach, where professional Council lifeguards will be put through a wide range of practical training sessions by authorised training organisations.
- A report regarding foil boarding along the Randwick City Council coastline was put on hold for the remainder of the 2021/22 season, to assess the behaviour of foil boarders and how they responded to RCC lifeguard instruction not to foil during patrol hours. Overall, this trial was successful, supporting a partial ban of foil boarding (aligned with the Council Policy for kitesurfing) as opposed to an outright ban. The Risk Assessment is being updated, after which a meeting will be scheduled between Council and the foil boarding community, before a report is then submitted to Council.

Kind regards,

Duncan Rennie
Manager PSAS

Coastal Advisory Report No. CAC12/22

Subject: Capital Works Update - September 2022

Executive Summary

- Council's Manager Infrastructure Services provides the attached Capital Works update in relation to Coastal areas for the Randwick Coastal Advisory Committee (RCAC).
- Please note the following projects have been submitted for the NSW IPWEA Excellence and Engineering Awards
 - Coogee Fallen Lifesavers Memorial
 - Coral Sea Park Playground
 - Pioneers Park Synthetic Field Construction
 - Purcell Park Remediation
 - Maroubra Stormwater Harvesting
 - Discovery@ Randwick Environment Park
- Consideration is given to projects recently completed:
 - Frenchmans and Yarra Bay Beach Restoration Work, post storm
 - Coogee Beach and Maroubra Beach Restoration Works, post storm
 - Coral Sea Park Playground
 - Mahon and Malabar Pool Coping
 - Yarra Bay GPT
- Consideration is given to projects under construction:
 - Clovelly Surf Life Saving Club - refurbishment
 - Anzac Parade Memorial, La Perouse
 - Grose Street (Kamay Botany Bay NP) GPT
 - Water Refill Station Installation, Coastal Walkway, Gordons Bay
 - Coral Sea Park Synthetic Field
 - McKeon Street Activation
 - South Maroubra Amenities (Site Establishment – October)
 - Pioneers Park Surface Drainage Works (Site Establishment – September)
 - Dunningham Reserve Amenities (Site Establishment – September)
- Consideration is given to projects in planning:
 - Malabar Pool Pump Redundancy
 - DRLC Splash Park
 - Coogee Oval Lighting Upgrade
 - Little Bay Beach Staircase Widening
 - Coogee Stormwater Harvesting Project
 - La Perouse Amenities

Recommendation

That the Randwick Coastal Advisory Committee receive and note this report.

IN PROCUREMENT

Little Bay Staircase refurbishment (widening 500mm)

CAC12/22

IN DESIGN

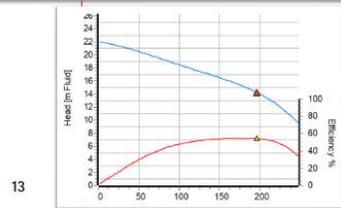

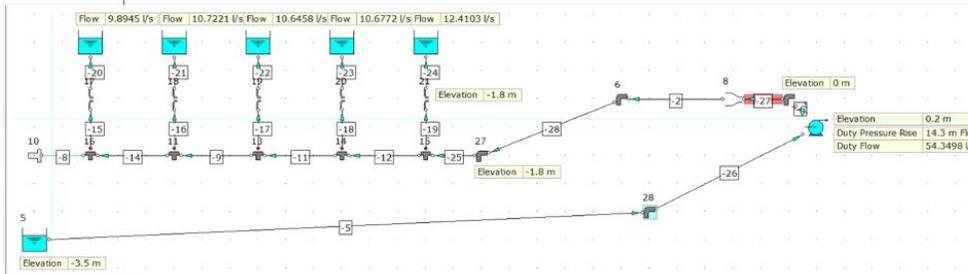

Malabar Pool Pump upgrade- with redundancy

Self priming, duty / standby arrangement

Option 3 – Dual Self-priming pump near Carpark

IN DESIGN

Des Renford Leisure Centre Splash Park

CAC12/22

IN DESIGN

La Perouse Amenities modernisation

CAC12/22

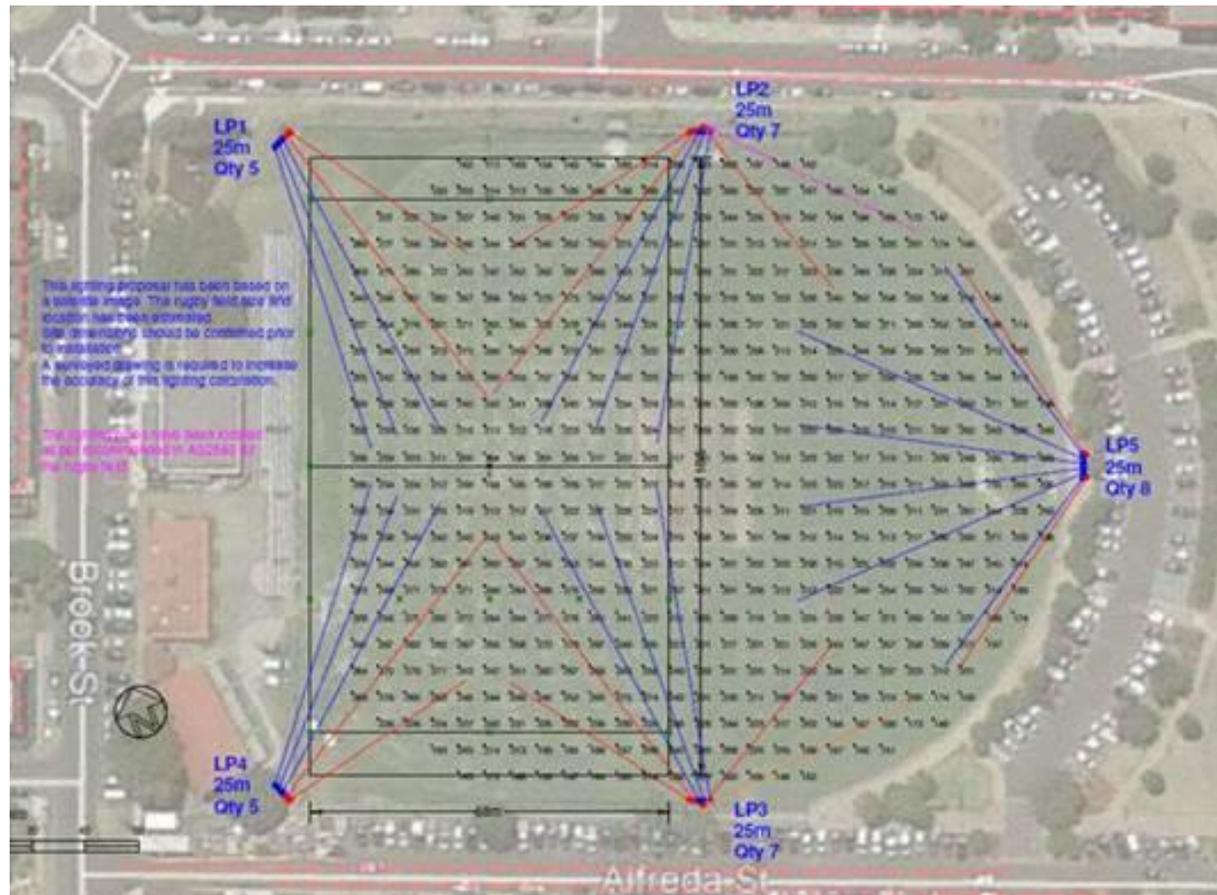

IN PLANNING

Coogee Oval Lighting

Design and planning approvals

Coogee Oval is currently served by an antiquated lighting system that is insufficient for the lighting of sporting activities and not fit for purpose in this location.

This project aims to upgrade the system to allow for a greater diversity of games to be played
