## Question with Notice No. QN3/26

**Subject: Question with Notice from Cr Parker - Status of community consultation on paid parking proposal**

### Question:

Could an update on the status of the community engagement strategy endorsed by Council at the 24 February 2026 meeting for the Beach Visitor parking scheme be provided?

### Response from Director Community & Culture:

An update on the status as at 9 April 2026, of the Visitor Pay Parking Community Consultation unanimously adopted by Council at its meeting on 24 February 2026 is provided below:

- 7,041 returned online surveys. No checks undertaken yet, includes responses from outside Randwick LGA too.
- Approximately 3,500 returned paper surveys.
- Consultation is on track to be the largest ever community engagement process undertaken by Council. The current record is the Environmental Levy ratepayer survey in 2024 which received 7,639 responses.

### Consultation period

Consultation was assessed as having a higher level impact, City-wide. This triggers a longer 6-week (42 day) exhibition period under Council's community engagement matrix in the Community Engagement Strategy.
